### INDEPENDENT STUDY POLICY

The Orange County Educational Arts Academy (“OCEAA”) may offer independent study to meet the short or long-term educational needs of pupils enrolled in OCEAA. Independent study is an optional educational alternative in which no pupil may be required to participate and is designed to teach the knowledge and skills of the core curriculum. Independent study is available for students who will be absent for a period of a minimum of three (3) to a maximum of fifteen (15) cumulative school days in one school year. Those students who have been quarantined can start Independent Study on the first full day home\*. The purpose of independent study is to accommodate vacation travel plans, extended illness, quarantine, or other extenuating circumstances that prohibit the student from accessing on-campus instruction.

Written requests for independent study must be submitted by parents to the School Director or designee at least five (5) school days, or at the earliest known date, before the anticipated start date of the independent study. Independent Study request forms are available in the main office.

Under special circumstances and only upon prior written approval of the School Director or designee, a student may be approved to participate in independent study for longer than the fifteen (15) cumulative school days permitted by this Policy. Such requests will be granted on a case-by-case basis at the sole discretion of the School Director or designee, for reasons including but not limited to, healthcare provider or county office of public health quarantine instructions, medical fragility, or extended illness. If a student is not approved for an extension of the fifteen (15) day cumulative maximum, further absences will be addressed in accordance with OCEAA’s attendance policy and may be considered unexcused and/or lead to truancy prevention measures, depending on the nature of the absence.

\*Under California State law, a student eligible for special education may participate in independent study if the student’s IEP specifically provides for that participation. (Ed. Code §51745(c).) Under emergency conditions in which instruction or services, or both, cannot be provided to the pupil either at the school or in person beyond ten school days, the Emergency Services Plan of the student’s IEP will be implemented.

OCEAA shall provide appropriate existing services and resources to enable pupils to complete their independent study successfully. The following written policies have been adopted by OCEAA’s Board of Directors for implementation at OCEAA:

1. For pupils in all grade levels and programs offered by OCEAA, the maximum length of time that may elapse between the time an assignment is made and the date by which the pupil must complete and submit the assigned work shall be **five (5) school days**.

  - b. In the event Student's educational progress falls below satisfactory levels as determined by the OCEAA's Multi-Tiered System of Supports (MTSS) procedures, which considers ALL of the following indicators:
    - i. The pupil's achievement and engagement in the independent study program, as indicated by the pupil's performance on applicable pupil-level measures of pupil achievement and pupil engagement set forth in Education Code Section 52060(d) paragraphs (4) and (5).
